I am so delighted to have the opportunity to rave about "Stockton and Sons"! I have had the occasions over the years to meet Ryan, Shawn and their wonderful Father Mike Stockton. They have done so much work for me over the years. I have found them to be most dependable, extremely honest and they all all do the best job I could ask for. I depend on the whole Stockton family to help me maintain my home in Longboat and they all are simply the best!!!

Sincerely
Rae Seife

April 25, 2022,

Letter of recommendation for Stockton and Sons:

Remember how it used to be in construction, the craftsmanship and attention to detail? Stockton and Sons remembers, and their work reflects it! No construction/remodeling project is easy when 1,000 miles separates you from the project - communication becomes imperative, and the Stocktons understand and encourage it. The end result needs to be what YOU want and envisioned, not what a contractor or their subcontractors think it should be. The greatest affirmation we could have heard came from the final inspection when the comment was made, "You're good to go - these guys do it right!"

Yes, they do it right!
